DESCRIPTION

304 Stainless Recycled Steel Thermal Bottle is the perfect choice to keep your drinks cold or hot for hours. With its double insulation wall, it will maintain the temperature of your drinks efficiently. The bamboo lid and cork base give it a natural and sustainable touch, as well as providing a non-slip grip. With a capacity of 650 ml, it is ideal for taking with you to work, while you play sports or when travelling. Made from high quality recycled steel, this bottle is durable and sturdy. Enjoy your favorite drinks anywhere, anytime in style and without worrying about the temperature. Environmentally friendly bottle.
